Dear Sir,

I would like to express my deepest appreciation for the donation of 97 melodicas, 186 alto and 215 soprano recorders, which your organisation painstakingly collected by degrees over the past two years.

You are providing an opportunity for Botswana children to experience the joy of playing music instruments and it would not be a surprise if some of them discover their talent in music through that experience and become reputable musicians.

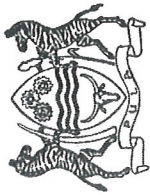

The donation will be received by the Ministry of Education and Skills Development of Botswana for distribution to beneficiary schools and it will go a long way in further developing friendship between Botswana and Japan.

Thank you once again for your invaluable support.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Pulaentle T. Kenosi'.
